Dear Rahul Kumar,

We would like to inform you that Power Tech Consultants offer you in the position of Senior Energy Engineer in our company and will be responsible for working on various projects to support our company's growth and success.

Your role will include the following responsibilities:

- 1. Lead energy audit projects
- 2. Conduct PAT scheme assessments
- 3. Prepare energy conservation reports
- 4. Client presentations and recommendations
- 5. Team coordination and project management
- 6. Regulatory compliance documentation
- 7. Risk assessment and mitigation planning
- 8. Quality assurance and review processes

Your employment with Power Tech Consultants will commence on **15th January 2024**.

Terms and Conditions:

- 1. Probation period of 6 months
- 2. Annual performance review
- 3. Confidentiality agreement
- 4. Non-compete clause for 12 months
- 5. Company policies apply

Additional terms regarding work from home policy and flexible hours may be discussed during onboarding.

Thanking you & assuring you of our best professional attention at all times.

Regards

M/s. Power Tech Consultants
